Central Projects in Jammu, Kashmir and Ladakh

1159. SHRI DHARAM CHANDER PRASHANT: Will the PRIME MINISTER be pleased to state the names of the Central projects that are presently under execution in Jammu, Kashmir and Ladakh regions of the Jammu and Kashmir region-wise?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI AJIT KUMAR PANJA): Plan investment by the Centre covers a wide range of both infrastructural and social welfare services as well as investment in public sector projects and units. The former are decided on national requirement while the latter are decided on techno-economic and other considerations. Since the basis and criteria for central investments are different, it is not possible to give a complete picture of central investment in the State as investment figures in all these are not maintained. However, information available in the Planning Commission on Central projects under execution in the State is given in Statement I. Statement-II gives the list of Central Public Undertakings which are having some assets by way of gross block, capital work in progress and unallocated expenditure and other assets in the State, as on 31-3-84.
